

1.

Statements Reasons

A = ____°

B = ____°

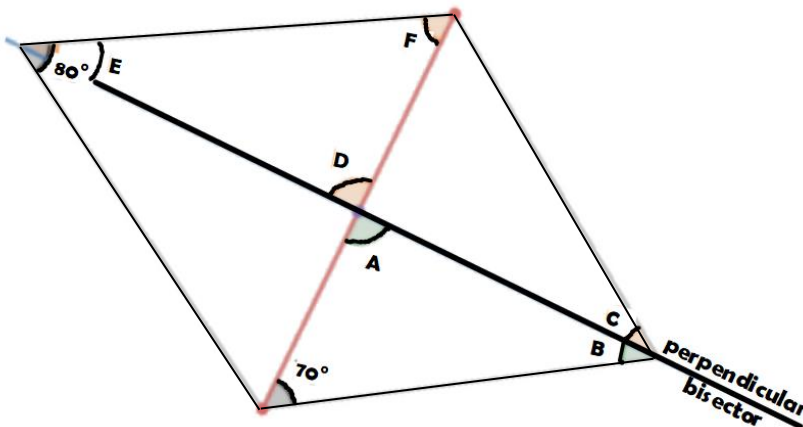

C = ____°

D = ____°

E = ____°

F = ____°

2.

Statements Reasons

A = ____°

B = ____°

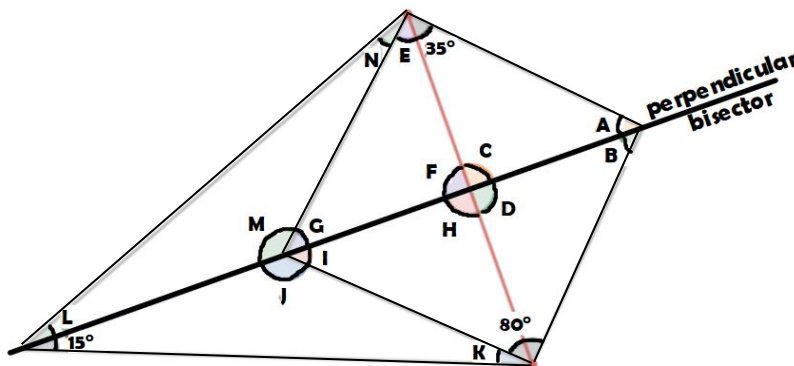

C = ____°

D = ____°

E = ____°

F = ____°

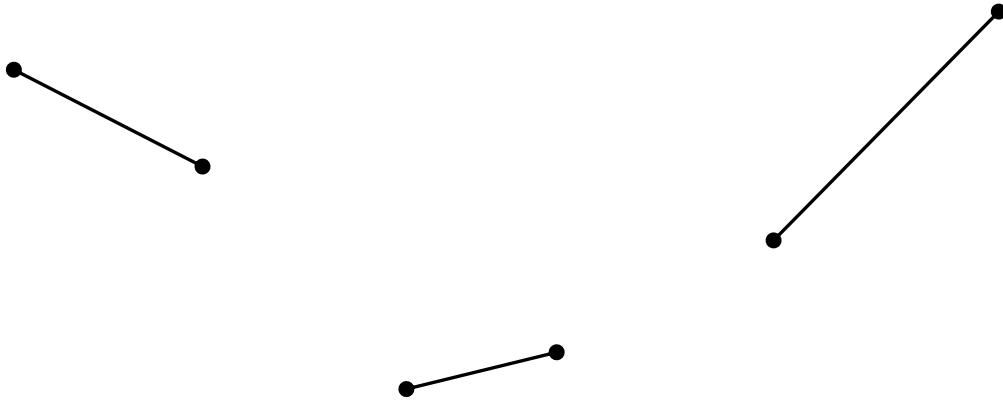

3.

Prove N = 30°.

Statements Reasons

4. Use a compass and straightedge to construct the perpendicular bisector for each segment.

5. Use a compass and straightedge to construct the angle bisector for each angle.
